# **Environmental Awards**

**2024**

**Guidelines for Participation  
Sector – Other Environmental  
Recognition**

## 1.0 Introduction

In the context of World Environment Day (WED) 2023, the Ministry of Environment, Solid Waste Management and Climate Change in collaboration with various stakeholders had organised the First Edition of the Environmental Awards. Efforts of institutions in taking sustainability measures and best environmental initiatives that, *inter alia*, reduce their carbon footprint, adopt durable and sustainable plastic alternatives, optimise use of resources, biodiversity conservation, or otherwise curb down environmental nuisances, amongst others were rewarded. Showcasing these best environmental initiatives would encourage similar future endeavours for a green and clean society.

After the resounding success of the First Edition of the Environmental Awards, the Ministry of Environment, Solid Waste Management and Climate is pleased to launch its Second Edition on **25<sup>th</sup> March 2024**. The Awards Ceremony will be held on 05 June 2024 to commemorate the WED 2024.
