

Communique on Mobile App (MoNatir)

The Ministry of Environment, Solid Waste Management and Climate Change has come up with a new mobile application— **MoNatir**. It provides vital and dynamic environmental information such as Air Quality Index, penalties for major environmental offences, reporting of environmental offences, information on importers/ manufacturers of biodegradables/ compostable bags and single use products, information regarding waste management sites, recyclers and exporters, details of highly frequented public beaches, environmental news and highlights amongst others.

Download MoNatir today from **Google Play Store/App Store**.

Join us in our mission to promote cleaner air and sustainable lifestyles.
