

Contents

Executive Summary	1
Chapter 1: Introduction	3
1.1 Project History	3
1.2 Project Promoter	3
1.3 Project Justification	3
1.4 Scope and Methodology of the EIA	4
1.5 Report Structure	4
Chapter 2: Legal Framework	5
2.1 Environment Protection Act, 2002	5
2.2 Other Applicable Legislation	6
2.3 Regulations	6
Chapter 3: Project Description	7
3.1 Project Objectives	7
3.2 Project Description	7
3.3 Observation made	8
3.4 Geometric Design	9
Chapter 4: Existing Land Use	13
Chapter 5: Baseline Environment Conditions	14
5.1 Introduction	14
5.2 Topography	14
5.3 Geology	14
5.4 Soil	14
5.5 Climate	15
5.6 Air Quality	15

5.7 Noise Level	16
5.8 Flora & Fauna	17
5.9 Hydrology and Drainage	18
5.10 Health and Safety	18
5.11 Land Contamination	18
Chapter 6: Impact Assessment and Mitigation Measures	19
6.1 General	19
6.2 Construction Phase	19
6.3 Operation Phase	23
6.4 Aesthetic Enhancement	23
6.5 Related Environmental Impacts	23
Chapter 7: Environmental Management Plan	24
Chapter 8: Conclusion	26
APPENDICES	
Appendix A – Proposed Alignment for NTZ Project	
Appendix B – Exempt Undertaking	
Appendix C – Proposed Alignment for Cap Malheureux	
Appendix D – Layout Plan for NTZ & proposed Cap Malheureux Bypass	
Appendix E – Typical cross section in cut & fill	
Appendix F – Typical Drain Type	
Appendix G – Google Images Layout Plan
